COMPETENCY MANAGEMENT

25th July – 5th August 2016

Organized by:

Department of Occupational Safety and Health (DOSH), Malaysia

and

National Institute of Occupational Safety and

Health (NIOSH), Malaysia

OBJECTIVES OF MTCP

- ❖ Share development experience with other countries
- ❖ Strengthen bilateral relations between Malaysia and other developing countries
- ❖ Promote South-south Cooperation (SSC)
- ❖ Promote Technical Cooperation among Developing Countries (ICTD)

The Malaysian Technical Cooperation Programme (MTCP) was first initiated at the First Commonwealth Heads of Government Regional Meeting (CHOGRM) in Sydney in February 1978. It was officially launched on 7 September 1980, at the 2nd CHOGRM in New Delhi, India to signify Malaysia's commitment to South-South Cooperation, in particular, Technical Cooperation, among Developing Countries (TDC). It was intended as a vehicle for sharing Malaysia's development experiences and expertise with other developing countries. MTCP emphasizes human resources development mainly through training; short-term courses in public and private Malaysian training institutions and long term courses in Malaysian public universities. Other forms of assistance include study visits, practical attachments and provision of services of experts. Since its inception, more than 30,000 participants have been directly trained under MTCP. Currently MTCP is extended to more than 142 recipients developing countries in 13 key areas follows:

The Department of Occupational Safety and Health (DOSH) Malaysia is a department under the Ministry of Human Resources, Malaysia. DOSH Malaysia is responsible for ensuring the safety, health and welfare of people at work as well as protecting other people from the safety and health hazards arising from the activities of various sectors which include manufacturing, mining and quarrying, constructions, hotel and restaurants, agriculture, forestry and fishing, transport, storage and communication, public services and statutory authorities, utilities gas, electricity, water and sanitary services, finance, insurance, real estate and business services.

DOSH is a national occupational safety and health (OSH) authority and is responsible for the administration and enforcement of legislations related to OSH, with a vision of becoming the organisation which leads the nation in creating a safe and healthy work culture that contributes towards enhancing the quality of working life.
